

Diving cruise St. John's Abu Fendir

A circuit that will take us to the gates of the Sudan. The cruise 'St John's' "lying" to the south . For divers looking for more sites with virginity and want to discover new sites who are intact , deserve the extra few hours of navigation.

We will embark in Marsa Alam or Hamata. The reefs of St. John's are very varied. They will delight all divers dizzying, as falling in love with a passion for macro photographers.

The circuit alternating between falling and diving into the median space. We can cross turtles, dolphins, sharks, napoleons. The tour will take us to Abu Fender reefs south of St. John's. We begin with a stop on a reef of St John's before continuing our journey south towards the reefs of Abu Fender.

These reefs to 3 hours south of St. John's, we will offer all their wealth, with beautiful tables and an intact coral fauna and flora rich in color. We look forward to dive with large parrots humpback well known in Sudan. They know no borders. We go up again , then heading north to finish our journey is either on Hamata or Marsa Alam. (As with all circuits, order and site selection can not only be contractual, they can vary: cause of the weather and / or state of the sea).
