Safety first!

All aquatic activities are under the supervision of a qualified instructor (CMAS or PADI) of the Seafari team.

Before each activity Instructors on board will make a detailed presentation of the site, currents, wildlife and safety rules to be observed.

The choice of sites is at the discretion of the captain and Seafari Senior Instructor depending on the season and weather conditions.

The senior instructor may impose In water supervision or restriction from diving to any diver whose technical level is not sufficient to guaranty safe diving conditions.

Snorkeling sessions with manta rays are planned on secret places.
